

A new village hall for Wighton? We need **your** views....

Our much-loved village “hut” started life as a temporary classroom at Wells school.
It was transferred to Wighton in 1939 and was expected to last max. 25 years.
Hard work by many villagers over decades has more than tripled its life expectancy.
And over its very long lifetime it has hosted countless village events....

... but now it's time to think about the future for our hall.
Have your say by filling in the questionnaire on the back of this sheet.
